

## COMMUNIQUE

For this news, sent by the Committee responsible for the following competitions:

- A. Public International Competition CPI 016-2014-PUCP Acquisition of Equipment for Biomechanics Research Laboratory and Applied Robotics
- B. Public International Competition CPI 017-2014-PUCP Scientific Equipment for Radioscience.
- C. Public International Competition CPI 018-2014-PUCP Equipment Interdisciplinary Research Laboratory in the registry, Diagnosis and Heritage Conservation.

Following the request of some foreign bidders who requested the publication of the rules in the English language, the Committee decided to postpone the date for submission of questions for the three competitions listed, changing the date of August 4th to August 6th, respecting other dates in the calendars of these contests.

Thanks for your attention.

The Committee
